BILINGUAL STUDY HALL

ENROLLMENT PACKET
ON-SITE ELEMENTARY STUDENTS 2020 – 2021
BILINGUAL 1ST GRADE & 2ND GRADE

OUR PROGRAMS

WELCOME TO ECOKIDS STUDY HALL

ON-SITE ELEMENTARY (1st Grade and 2nd Grade) 2020-2021

Dear Families,

Schools are expected to be 100% online for the school year 2020-2021, and EcoKids is here to support parents and students navigate distance learning.

For this reason, we are glad to announce our EcoKids Bilingual Study Hall Program. An on-site tutoring option for Elementary students (1st & 2nd Grade), following all safety and security protocols.

The **EcoStudy Hall Program** is an extension of our bilingual curriculum designed for Elementary School children Grades 1 and 2. Our priority, as it always has been, is to provide students with a meaningful and secure environment in which they will nourish their social and emotional skills, receive professional academic support and have the possibility of learning a new language when taking part in our Spanish Language Immersion Program.

Students are expected to bring their necessary materials (provided by their Elementary Schools) in order to connect with their corresponding teachers for their morning virtual learning programs (This includes but is not limited to: books, smart tablets, iPads, laptops and headphones). With the support of our EcoKids educators, students will receive technological aid, complete their academic tasks, complete their homework assignments and be able to thoroughly comprehend their subject matter.

ECOKIDS STUDY HALL WILL INCLUDE:

- INDIVIDUALIZED GUIDANCE WITH SCHOOLWORK

Specialized and trained bilingual educators will be available to support and guide our Elementary students during their virtual learning responsibilities.

- ENRICHMENT ACTIVITIES

Students will have the opportunity to participate in extracurricular activities such as: sports, flamenco, arts and crafts, music, robotics and more.

- SPANISH LANGUAGE IMMERSION PROGRAM

After successfully concluding their morning virtual learning programs, students will participate in Spanish Immersion classes, where they will learn how to read and write in Spanish.

- SAFETY STANDARDS THAT SURPASS CDC GUIDELINES

Our school will strictly follow DCF and CDC guidelines to ensure the safety of our students, staff and families. Please review safety protocol attached for detailed description.

Children need enriching and challenging environments that promote socialization, movement and profound learning. With our Bilingual Curriculum and our passionate team of educators, our EcoKids Study Hall Program will strive to ensure our students fulfill their Elementary School Education needs and develop a life-long love for learning and discovery.

ECOKIDS STUDY HALL SCHEDULE

Monday – Friday

8:00 AM – 5:00 PM

- EcoKids Study Hall Program will follow the [Broward and Miami Dade County] School Calendar. On days when public schools are closed or are released early, we will offer activities for an additional charge.
- Early care (7:00AM) and after care (5:00-6:00PM) will be available upon request. Please contact our School's Front Office for more information.
